CY4GATE HAS BEEN AWARDED NEW CONTRACTS WITH A TOTAL VALUE OF ABOUT € 1.2 MILLION FOR SOLUTIONS IN THE FIELD OF CYBER SECURITY AND FORENSIC INTELLIGENCE FOR PRIMARY CORPORATE AND INSTITUTIONAL CUSTOMERS

Rome, November 29, 2024 - **CY4GATE (CY4.MI)**, national and European player in cyber security and cyber intelligence, has signed contracts for a total value of approximately € 1.2 million with primary Italian corporate and institutional clients for the acquisition of solutions in the Cyber Security and Forensic Intelligence fields.

The contracts refer to the supply of technology in the **Hybrid Digital Twin** and **Forensic Intelligence** fields. In the first case it is a cutting-edge technology proprietary to the Cy4Gate group aimed both at testing & validation activities of complex infrastructures characterized by the customer's multi-domain OT/IT/IoT environment, and for advanced cyber training & emulation programs for internal cyber security teams. The Hybrid Digital Twin's solution proves excellence to satisfy needs in the area of hardening the cyber resilience of our corporate and institutional customers' critical infrastructure. The supply also includes solutions in the Forensic Intelligence field for which the RCS group, part of Cy4Gate, is widely recognized as a reference technological player for both the Italian domestic and international markets.

The proposition of the Cy4Gate group proves to be solid and focused, leveraging the proprietary technological capabilities which constitute the real competitive advantage of the group and which are able to address the complex needs that the market is increasingly faced with.

Emanuele Galtieri, CEO and General Manager of Cy4Gate Group, declared: *"The market continues to choose us. These are contracts acquired with new customers in Italy, a sign that the technologies developed and integrated by the company are recognized for their high ability to satisfy niche needs. This is made possible by the constant inclination for innovation, a pillar of the Group's strategy, well aware that ours is a sector in which being a follower means being doomed to failure."*
