

Press Release

CY4GATE HAS BEEN AWARDED, IN THE FIRST TWO MONTHS OF 2025, CONTRACTS WITH A TOTAL VALUE OF € 1.65 MILLION AND A DURATION OF 1 YEAR, FOR DECISION INTELLIGENCE SOLUTIONS FOR INSTITUTIONAL CLIENTS AND HI-TECH COMPANIES BOTH IN ITALY AND ABROAD

Rome, 03 March 2025 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and cyber intelligence, has signed contracts in the last two months for a total value of € 1.65 million for a duration of 1 year with primary clients, both Institutional and hi-tech companies in Italy and abroad. The contracts refer to the acquisition of technologies and evolutions in the Decision Intelligence field.

The supplies concern cutting-edge technological solutions developed by Cy4Gate Group in the field of Decision Intelligence, a sector in which the Group is constantly consolidating its position as a reference. This area is in continuous transformation to respond to the growing need for faster, more accurate decision-making processes supported by in-depth analysis, in an increasingly complex and interconnected global context. The ability to acquire, analyze and transform heterogeneous data into strategic insights is today a key element for the success of institutions, companies and government organizations.

These new contracts represent a tangible confirmation of the market's trust in the advanced solutions developed by Cy4Gate and in the strategic importance of its proprietary innovations.

Emanuele Galtieri, CEO and General Manager of Cy4Gate Group, stated: *“Data is the raw material of our era, and the global digitalization process is generating volumes of data that were once unthinkable. Decision Intelligence is the key technological tool for transforming data into valuable information to support decision makers in making informed choices quickly. We are contributing with our technologies to support the change underway, providing public and private decision makers with advanced solutions for the analysis and effective use of big data. These new contracts, partly awarded as a continuation of existing projects and partly born from new business development initiatives, are a tangible confirmation of the market’s interest in the value proposition that the Group has built up to now, responding to the emerging challenges of information management and valorization”.*
