CY4GATE HAS AWARDED CONTRACTS WITH A TOTAL VALUE OF APPROXIMATELY € 1.4 MILLION FOR CYBER SECURITY SOLUTIONS FOR THE BENEFIT OF PRIMARY CORPORATE AND INSTITUTIONAL CUSTOMERS

Rome, September 02, 2024 - **CY4GATE (CY4.MI)**, national and European cyber security player, has recently signed contracts for a total of approximately € 1.4 million for Cyber Security solutions for primary corporate and institutional clients.

The contracts were finalized with leading industrial companies in the corporate world in the Automotive sector, and with institutional bodies on the Italian market. On the one hand, the supply focuses on the group's technologies in the Fraud Prevention & web application protection field, topics similar to the world of Fraud Protection and Defence, on the other it concerns the study and development of disruptive technologies for strengthening defences against cyber attacks.

These contracts for Cyber Security solutions implemented by Cy4Gate Group represent a significant testimony to the value recognized in the group's precious and incessant commitment to technological innovation, which constitutes a strategic pillar of its competitive advantage.

Emanuele Galtieri, CEO e General Manager di Cy4Gate Group declared: *“We are satisfied with the awarding of a series of contracts which represent an important recognition of our technological expertise in the cybersecurity sector. The trust placed in us by leading industrial and institutional entities is the recognition of the high standards of quality and performance of our customer proposition, confirming Cy4Gate as one of the reference players at national and European level.”*
