CY4GATE WAS AWARDED 3-YEAR CONTRACTS WITH A TOTAL VALUE OF APPROXIMATELY €1.2 MILLION FOR CYBER SECURITY AND DECISION INTELLIGENCE SOLUTIONS

Rome, August 8, 2024 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and decision intelligence, has signed, in the last month, contracts for a total of approximately **€ 1.2 million** for Cyber Security and Decision Intelligence solutions.

The contracts, with a total duration of three years, were finalized with leading Italian industrial companies and with Institutional Authorities. On the one hand, the solutions are aimed at strengthening and consolidating their cyber resilience and observability of their cyber posture, on the other they aim to digitize and streamline internal decision-making processes thanks to advanced Decision Intelligence solutions.

These contracts for Cyber Security and Decision Intelligence solutions offered by the CY4GATE group represent a significant witness of the group's valuable and incessant commitment to technological innovation, which constitutes a strategic pillar of its competitive advantage.

Emanuele Galtieri, CEO and General Manager of Cy4Gate Group, commented: *“We are satisfied with these contracts, which are very important for us, and which partly constitute the prosecution of project initiatives launched in the past, and partly relate to the acquisition of new institutional clients to whom we offer cutting-edge solutions in terms of technology. These supplies range from cyber security to decision intelligence, thus supporting the ongoing digitalization processes, always with an eye on cyber security issues, supported by AI”.*
