**A NEW CONTRACT WORTH € 1.6 MILLION SIGNED WITH A NATIONAL HIGH TECH COMPANY
FOR THE SUPPLY OF PRODUCTS AND SERVICES AND FOR ADVANCED RESEARCH AND
DEVELOPMENT ACTIVITIES ON CYBER SECURITY**

THE CONTRACT WILL HAVE A DURATION OF APPROXIMATELY 3 MONTHS

Rome, October 10, 2024 - **CY4GATE (CY4.MI)**, national and European player in cyber security and cyber intelligence, has signed a contract for a total value of € 1.6 million with a leading national high tech company for the acquisition of products and technologies in the cyber security field.

The contract, lasting approximately 3 months, will have the aim of acquiring products and technologies to be integrated into existing cyber security projects previously started with Cy4Gate, with a view to creating increasingly effective solutions to protect proprietary assets from cyber threats in the context of “secure by design” product architectures.

The implemented solutions will be made more efficient by the potential offered by Artificial Intelligence for which Cy4Gate develops specific algorithms dedicated to the cyber domain in-house. The order also includes the implementation of a series of research and innovation activities in the specific sector to identify new technological and architectural solutions capable of managing future and more insidious cyber threats.

Emanuele Galtieri, CEO and General Manager of Cy4Gate Group declared: *“It is an important new recognition in Italy for a cyber product company, active both in Defense and Institutions, as well as in the Corporate world. The possession of proprietary technology makes us flexible, capable of adapting solutions to the peculiarities of our customers who continue to choose us. We have made technological innovation, in a continuously and rapidly evolving sector such as cyber, the cornerstone on which our Group's entire growth strategy is based and today we are recognized as one of the national players of reference in the cyber security context”.*
